

The Lion Photo Library, Lakeside Athletics' hub for game photos, has launched on Vidigami, a cloud-based photo storage website. Please check your email for a message from Vidigami about setting up your account. Please note that access to Vidigami is by invitation only. When setup is complete, Lions fans can view, download, and upload photos taken at Lakeside athletic events.

To view, download, or upload photos, follow these instructions:

- 1.) Visit www.vidigami.com and log in using the email address and password you chose during setup.
- 2.) From the left menu, select the team for which you would like to view, download, or upload photos. If the team is not listed, click “browse all groups.”
 - a. From this page, select the team for which you would like to upload photos. If the team is not listed, click “show all” from the upper right corner.

- 3.) From the team page, you may view and download photos. To create a new album, click “new album.” A popup asking for album details will appear. In the popup, please name the album using the following style:

SPORT LEVEL (Varsity, JV, 8th-grade Maroon, etc.) vs. OPPONENT – DAY/MONTH/YEAR

Ex: Varsity vs. Seattle Prep – 3/15/2017

Click “Proceed” when you are ready to upload photos.

- 4.) Click “Upload” to open Vidigami’s photo uploader tool.
- 5.) Drag and drop your photos into the uploader, or use the “add photos” button to select your photos.

While there is no limit to the number of photos that can be uploaded at once, Vidigami suggests uploads of less than 200 images at a time. Images with large file sizes (>8MB), may take longer to upload.

For more information on Vidigami’s photo uploader and other tools, visit <http://about.vidigami.com/faq/>.
