

PAYMENT AND REFUND INFORMATION

A student's placement in Lakeside's Summer School Programs will be confirmed when at least half of the total tuition or cost has been paid, or for those applying for financial aid, a complete financial aid application is received. The full amount must be paid prior to the start of a student's course or camp.

Current Lakeside families: Until May 1, if your family receives school-year aid, you will automatically receive financial aid at the same percentage as during the school year. After May 1, aid will be allocated as available, however, no additional paperwork is needed at any time. Lakeside families not receiving school-year aid and wanting to apply for assistance in the summer must complete the entire Financial Aid application. Decisions are made on a rolling basis.

REFUNDS:

All complete withdrawals must be requested in writing to the Summer School Programs office. Requests may be mailed, dropped off, or emailed to summerschool@lakesideschool.org. All questions about refunds should be directed to Kat Yorks, Summer School Programs director. There will be a cancellation fee for withdrawal from the Summer School Programs.
