

SUMMER
PROGRAMS

First Student Bus Service

It is our goal this summer to be able to provide bus service to as many families as possible. We will offer limited bus service to Lakeside campus via First Student at a cost of \$100 per week. **Financial aid is available.** You may sign up for bus service during the registration process. By May 1, we will contact you with the routes we are able to offer this summer. You may cancel your bus service at any time prior to the start of your camp/course for a full refund if the bus routes we end up offering do not meet your needs.
