Financial Aid Information

Lakeside Summer School Programs does its best to make all of our camps and classes accessible to all families, regardless of income. Our programs range in price from \$210 - \$5400. We provide aid up to \$2400 per student. Aid is awarded on a first-come, first-served basis.

If you would like to apply for financial aid for a Summer School Program, please complete the following steps:

- 1) Register your student for the courses/camps they would like to attend using our registration portal (accessible February 22 for Lakeside students, children of Lakeside alumni, and The Downtown School students and February 26 for students not attending Lakeside).
- 2) As part of the registration process, choose Financial Aid in the same way that you sign up for a class. You will then be prompted to fill out a Financial Aid application later in the registration process. **You only need to choose the Financial Aid option once.**
 - If your family has a current or incoming Lakeside student who has already applied for school-year aid, your aid award will be determined with the information already on file at Lakeside. **You must still choose the Financial Aid option during registration.**

Families applying to enter Lakeside for the 2021-22 school year will have to wait to learn about a Summer School aid award until their school-year financial aid award has been determined.

If your family does not currently receive aid, and you would still like to apply for Summer School aid, please fill out the financial aid application and upload (or email/mail) a 2019 1040 (2020 if available) and 2020 W2 or other income-related tax forms.

- If your family has a non-Lakeside student, you will need to fill out the financial aid application and upload (or email/mail) a 2019 1040 (2020 if available) and 2020 W2 or other income-related tax forms.
- You do not need to make any payment until you have received an email stating your aid award amount.

If you have any questions about the financial aid application process, please contact the Summer School Programs office at SummerSchool@lakesideschool.org.
